OUR **OXBRIDGE PROGRAMME**

Starting in Year 9 we offer support to our students as they prepare their applications to Oxford, Cambridge, and Russell Group universities. Through the Generation Next programme which offers insight into university life and our mentoring scheme which encompasses work experience, students are fully prepared. Visits from key expert speakers inspire and support our students on their Oxbridge journey. The success rate of our students is higher than the national average within the independent sector.

PERSONAL STATEMENT

With personalised 1:1 meetings we will help you structure and edit your personal statement to make a great first impression.

INTERVIEW TRAINING

Learn how to deliver an outstanding performance in your university interview. Improve your confidence and critical thinking.

ADMISSIONS TESTS

We help you prepare for your university admissions tests including NMAT, UKCAT and STEP. We also support you with your supplementary application essays.

UNIVERSITY CHOICES

We provide supervised trips to Cambridge and Oxford. We will also help you strategise your choice of universities to apply to.

KEY TEXTS AND THEORIES

Top universities expect students to have read extensively beyond the curriculum. We will guide you through your wider reading supported with discussion groups.

VISITING EXPERT SPEAKERS

Key expert speakers come into school to inspire and support our students on their Oxbridge journey and challenge students with degree-level concepts.

FOUNDATIONS TO FLOURISH
