An Introduction to Ipswich High School

Dear Sir/Madam,

I would like to start by thanking you for your interest in working at Ipswich High School. In addition to the information provided with this advertisement, I wanted to take this opportunity to introduce our school to help further inform your application.

This is an incredibly exciting time to join the school. In recent years, the school has transitioned from a girls' school to coeducational and in September 2019 opened its first boarding house, which has gone on to win a national award for the exceptional quality of the facilities.

I joined the school in January 2023 as Head and have ambitious aims to continue to develop the incredible warm, welcoming, and purposeful atmosphere created by the pupils and staff. The school has a tremendously broad curriculum, and this is further supported by an outstanding co-curricular offering, providing every pupil with over 80 different clubs and activities to fill their nine weekly enrichment sessions. Our on-site facilities include a theatre, indoor 25 metre swimming pool, dance studio, dedicated food and design technology area, multiple outdoor sports facilities, fitness suite and a Sixth Form suite based in Woolverstone Hall.

We are an incredibly supportive community and each individual member of staff at the school contributes to our story and plays a crucial role in ensuring the continued quality of education and experience for our pupils and parents. I am enormously proud of our talented teachers and support staff.

Every member of our school has access to support and training to help them develop professionally within their role.

I hope that on reading about this position, you will decide to apply. I am sure you will find a truly rewarding and enjoyable journey ahead of you, it is a vital role at a time of exciting developments within the school.

Our Teaching Ethos

We are renowned for ensuring our pupils are equipped to be so much more than highly skilled at passing exams. We believe great results are a by-product of an outstanding education, not its sole focus. We do this by providing them with the widest possible range of experiences, both in and outside of the classroom, to broaden their minds and create new opportunities for every pupil to thrive.

Outstanding GCSE and A Level Results

In 2025 the school achieved fantastic GCSE and A Level results.

Across the cohort, the number of GCSE pupils receiving number of grade 9s has double, 60% of pupils achieved grades 9-8, and the number of pupils receiving grades 9-7 has increased by 50%.

Our A Level results are equally as great. We maintained our historic high levels of A*-B pass rates.

Broaden Their Minds

We offer a wide range of 16 GCSE and 22 A Level subjects, as well as the Higher Project Qualification (HPQ) and Extended Project Qualification (EPQ).

Our Enrichment Programme is a fundamental part of school life at Ipswich High School. All our enrichments are designed to widen pupil's experiences, develop their leadership skills, and inspire new passions. The enrichment activities also provide transferable academic, practical and social skills such as leadership, life skills, communication and teamwork experience.

University Progression

Our pupils continue on to great things once they complete their education at Ipswich High School.

In 2025, all our pupils gained entry to their first or second choice universities, with many heading to Russell Group Universities. Past pupils have gone on to study at Oxford and Cambridge Universities, Imperial College London, UCL, Bristol, Durham, Manchester, Sheffield, and Warwick universities, to name but a few.
