The awarding bodies offer the following Post Results Services. Please note that the above prices are **per unit, component or module.**

### **Service 1 (Clerical re-check)**

This is a re-check of all clerical procedures leading to the issue of a result e.g. adding up of marks. Exam Boards aim to complete these within 10 calendar days of receipt of the request.

### **Service 2 (Post-results review of marking)**

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. **It is not a re-marking of your script.** The service is available for externally assessed components. Exam Boards aim to complete these within 15 calendar days of receipt of the request.

### **Priority Service 2 (Post-results review of marking)**

This service is as Service 2 but is only available if your place in higher education is dependent upon the outcome. Any applications not meeting this criteria will be treated as normal Service 2 requests. Exam Boards aim to complete these within 15 calendar days of receipt of the request.

### **Access to Scripts**

Electronic Copy – this service should only be used in order to decide whether or not it is worth applying for a review of marking. If you are thinking about a Service 2 Priority review of marking, then you should move straight to this as the electronic copy of the script will not be returned to you in time. Photocopy scripts will be returned by no later than 7<sup>th</sup> September.

If access to a copy script is requested from Pearson Edexcel after a Review of Marking, a fee of £15.00 will apply

Original – this service is available if you just want to look at your script. Once an awarding body has returned an original script to you then it can no longer be subject to any Post Results Services.

\* This service is not available for Non-Examined Assessments that are marked within the centre. Please speak to Mrs Hunter, the Exams Officer, in the event of any query.
