The awarding bodies offer the following Post Results services.

Service 1 (Clerical re-check)

This is a re-check of all clerical procedures leading to the issue of a result e.g. adding up of marks. Exam Boards aim to complete these within 10 calendar days of receipt of the request.

Service 2 (Post-results review of marking)

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. **It is not a re-marking of your script.** The service is available for externally assessed components. Exam Boards aim to complete these within 20 calendar days of receipt of the request.

Priority Service 2 (Post-results review of marking)

This is a priority post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. It is not a re-marking of your script. The service is only available for Edexcel subjects only. Edexcel aim to complete these within 15 calendar days of receipt of the request.

Access to Scripts

Photocopy – this service should only be used in order to decide whether or not it is worth applying for a review of marking.

Original – this service is available if you just want to look at your script. Once an awarding body has returned an original script to you then it can no longer be subject to an enquiry about results.

*This service is not available for Non-Examined Assessments that are marked within the centre. Please speak to Mrs Hunter, the Exams Officer, in the event of any query.
